

the adamson
restaurant & bar

welcome to the former family home of
fife's most illustrious sons, john &
robert adamson.

as drinking culture in britain entered
its classic age, dr. john adamson,
the eldest of ten siblings became an
internationally celebrated physician,
scientist & pioneer of the
photographic arts.

at the adamson we like to think of
this bar as our own "calotype" the
revolutionary form of portraiture john
introduced to scotland before passing
the mantle to young robert, of
hill & adamson fame.

the word itself means "beautiful
impression" & that's exactly what we aim
to provide: an impression of st andrews
itself & the way the town relates to our
award-winning restaurant & bar.

the adamson
restaurant & bar

our new cocktail list is fresh,
innovative & creative.
serving handcrafted drinks,
entirely in the light of our own passions
& inspirations.
these are drinks you'll never enjoy
anywhere else... they're as unique to our
space as is our legendary
adamson hospitality.

if your palate tends to favour
the classics as history intended,
rest assured. here at the adamson,
we'll be delighted to mix your
desired cocktail, just ask your
bartender and we can make you your
favourite just the way you like it.
espresso martini, french martini
& cosmopolitan are all proud
adamson signatures
our famous negroni & corpse reviver
are always ready to go...

if you're lucky enough to have youth
on your side, you're driving, or at
liberty to imbibe, please let the team
know we offer non alcoholic potions
with every bit as much passion & verve
as our strong libations & all are bespoke
whatever your taste, we have a stellar
selection of seasonal fruits available
to hand, to craft a delightful
'mocktail'...
