

*the adamson*  
*restaurant & bar*

welcome to the former family home of  
fife's most illustrious sons, john &  
robert adamson.

as drinking culture in britain entered  
its classic age, dr. john adamson,  
the eldest of ten siblings became an  
internationally celebrated physician,  
scientist & pioneer of the  
photographic arts.

at the adamson we like to think of  
this bar as our own "calotype" the  
revolutionary form of portraiture john  
introduced to scotland before passing  
the mantle to young robert, of  
hill & adamson fame.

the word itself means "beautiful  
impression" & that's exactly what we aim  
to provide: an impression of st andrews  
itself & the way the town relates to our  
award-winning restaurant & bar.
