THE PHYSICIAN

Welcome

Hello,

In the heart of St Andrews, my family and I opened the Adamson restaurant & bar in 2012. We deliver excellent service and exquisite dining whether you join us for steak and seafood in the Adamson, sip cocktails and share plates in The Physician or catch up over brunch, lunch and private dining in Hatch.

Our three award-winning venues provide contemporary dining experiences influenced by my adventures in New York, London and Scandinavia. My passion is serving quality, locally sourced food and drink in beautiful spaces which every guest can enjoy.

Julie Wijkström, Founder
